

basis for the Restriction Requirement and arguments presented therein. Applicant notes that the elected polypeptides include those that stimulate an immune response to a sarcoma-associated antigen encoded by SEQ ID NO: 10.

Applicant expressly reserves the right to file one or more continuing applications on the subject matter of the non-elected claims. Applicant also reserves the right to consideration of additional species upon allowance of a generic claim. Applicant further reserves the right to rejoinder of withdrawn process claims in the event a product claim is found to be allowable.

Respectfully submitted,
